FDIC APPROVES ASSUMPTION OF DEPOSITS OF FIRST STATE BANK, LIBERTY, TEXAS

The Board of Directors of the Federal Deposit Insurance Corporation has approved the assumption of the deposits and secured liabilities of First State Bank, Liberty, Texas, by First City, Texas-Beaumont, National Association, Beaumont, Texas.

The failed bank's sole office will reopen on Friday, August 18, 1989, as a branch of First City, Texas-Beaumont, National Association and its depositors automatically will become depositors of the assuming bank, subject to approval by the appropriate court.

First State Bank, with total assets of \$63.1 million, was closed on Thursday, August 17, 1989, by Kenneth W. Littlefield, Texas Banking Commissioner, and the FDIC was named receiver.

First City, Texas-Beaumont, National Association will assume about \$60.5 million in 6,500 deposit accounts and has agreed to pay the FDIC a purchase premium of \$265,000. It also will purchase certain of the failed bank's loans and other assets for \$36.9 million. To facilitate the transaction, the FDIC will advance about \$24.2 million to the assuming bank and will retain assets of the failed bank with a book value of about \$26.2 million.

The Board of Directors approved the deposit assumption under its authority to do so whenever it determines that such a transaction will reduce the potential loss to the FDIC.

The FDIC will recover a portion of its outlay through the liquidation of assets not transferred to the assuming bank. In this respect, the FDIC notes that its claim will have priority over the claims of nondepositor creditors and shareholders of the closed bank.
