FDIC APPROVES ASSUMPTION OF DEPOSITS OF KIRBY STATE BANK, KIRBY, TEXAS

The Board of Directors of the Federal Deposit Insurance Corporation has approved the assumption of the deposit liabilities of Kirby State Bank, Kirby, Texas, by Schertz Bank & Trust, Schertz, Texas.

The failed bank's sole office will reopen on Friday, September 15, 1989, as a branch of Schertz Bank & Trust and its depositors automatically will become depositors of the assuming bank, subject to approval by the appropriate court.

Kirby State Bank, with total assets of \$15.8 million, was closed on Thursday, September 14, 1989, by Kenneth W. Littlefield, Texas Banking Commissioner, and the FDIC was named receiver.

Schertz Bank & Trust will assume about \$15.8 million in 3,600 deposit accounts and has agreed to pay the FDIC a purchase premium of \$1,010. It also will purchase approximately \$12.1 million of the failed bank's assets, including \$500,000 of the bank's small loans. To facilitate the transaction, the FDIC will advance about \$3.6 million to the assuming bank and will retain assets of the failed bank with a book value of about \$3.7 million.

The Board of Directors approved the deposit assumption under its authority to do so whenever it determines that such a transaction will reduce the potential loss to the FDIC.

The FDIC will recover a portion of its outlay through the liquidation of assets not transferred to the assuming bank. In this respect, the FDIC notes that its claim will have priority over the claims of nondepositor creditors and shareholders of the closed bank.
