FDIC APPROVES DEPOSIT ASSUMPTION OF THE CITIZENS STATE BANK OF ST. FRANCIS, ST. FRANCIS, KANSAS

The Board of Directors of the Federal Deposit Insurance Corporation today approved the assumption of the deposit liabilities of The Citizens State Bank of St. Francis, St. Francis, Kansas, by St. Francis State Bank and Trust Company, a newly-chartered subsidiary of G. S. Bancshares, Inc., Goodland, Kansas.

The failed bank's only office will reopen on Friday, May 16, 1986, as St. Francis State Bank and Trust Company and its depositors automatically will become depositors of the assuming bank, subject to approval by the appropriate court.

The Citizens State Bank of St. Francis, which had total assets of \$24.2 million, was closed on Thursday, May 15, 1986, by Eugene T. Barrett, Jr., Kansas State Bank Commissioner, and the FDIC was named receiver.

St. Francis State Bank and Trust Company will assume about \$22.0 million in 2,900 deposit accounts and has agreed to pay the FDIC a purchase premium of \$561,444.54. It also will purchase certain of the failed bank's loans and other assets for \$12.9 million. To facilitate the transaction, the FDIC will advance \$8.5 million to the assuming bank and will retain assets of the failed bank with a book value of about \$11.3 million.

The Board of Directors approved the deposit assumption under its authority to do so whenever it determines that such a transaction will reduce the potential loss to the FDIC. The Board made such a finding in this case because of the premium paid by St. Francis State Bank and Trust Company.

The FDIC will recover a portion of its outlay through the liquidation of assets not transferred to the assuming bank. In this respect, the FDIC notes that its claim will have priority over the claims of nondepositor creditors and shareholders of the closed bank.
