Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

Information is collected on these forms to ensure credit for full payment, to ensure entities and individuals receive any refunds due, to service public inquiries, and to comply with the Debt Collection Improvement Act of 1996. On August 12, 2013, the Commission released a Report and Order (R&O), In the Matter Assessment and Collection of Regulatory Fee for Fiscal Year 2013 and Procedures for Assessment and Collection of Regulatory Fees, MD Docket Nos. 13-140 and 12-201, FCC 13-110. In this R&O, the Commission requires that beginning in FY 2014, all regulatory fee payments be made electronically and that the Commission will no longer mail out initial regulatory fee assessments to CMRS providers.
