Background: The Good Neighbor Environmental Board meets three times each calendar year at different locations along the U.S.-Mexico border and also holds an annual strategic planning session. It was created by the Enterprise for the Americas Initiative Act of 1992. An Executive Order delegates implementing authority to the Administrator of EPA. The Board is responsible for providing advice to the President and the Congress on environmental and infrastructure issues and needs within the States contiguous to Mexico in order to improve the quality of life of persons residing on the United States side of the border. The statute calls for the Board to have representatives from U.S. Government agencies; the governments of the States of Arizona, California, New Mexico and Texas; and private organizations with expertise on environmental and infrastructure problems along the southwest border. The U.S. Environmental Protection Agency gives notice of this meeting of the Good Neighbor Environmental Board pursuant to the Federal Advisory Committee Act (Pub. L. 92–463).

Abstract: This notice seeks public comment on a planned change in filing method for reports of beneficial ownership by insiders whose equity securities are registered with the Agencies. In the past, the Agencies have required paper filings. The Securities Exchange Act of 1934 (“Exchange Act”), as amended by the Sarbanes-Oxley Act of 2002, changed this requirement to electronic filing. Currently, the Agencies

are authorizing voluntary electronic filing through an electronic system, which has been available since July 30. Electronic filing will be made mandatory by a separate, later action by the Agencies. The new electronic system is an important step in the Agencies' ongoing efforts to streamline the filing and retrieval of reports filed with the Agencies under the Securities Exchange Act of 1934. It will also reduce burden on insiders who must file these reports within two business days of completing a transaction in equity securities of the institution.

Additionally, OTS collects other periodic disclosure documents required to be filed by savings associations pursuant to the Exchange Act on forms promulgated by the U.S. Securities and Exchange Commission for its registrants. In addition to seeking public comment on the planned change in filing method for reports of beneficial ownership, OTS also seeks public comment on its proposed renewal of this collection.
