Highlights:

Getting the Most Out of Your FS-ISAC Membership, October 31, 2016, 1 p.m. Eastern. On Nov. 3, 2014, the FFIEC members issued a statement on *Cybersecurity Threat and Vulnerability Monitoring and Sharing* that encouraged financial institutions to join the Financial Services-Information Sharing and Analysis Center (FS-ISAC). Many financial institutions have expressed a desire to gain a better understanding on how to filter and utilize the information they receive through this membership service. This webinar will feature a guest speaker from the FS-ISAC who will provide tips on how to manage the information flow and filter information through the membership portal.
