FEDERAL DEPOSIT INSURANCE CORPORATION

Privacy Act of 1974; Amendment to an Existing System of Records

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice of amendment to an existing system of records—"Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System".

SUMMARY: As part of an ongoing examination of the FDIC's systems of records, the "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" has been reviewed for compliance with the Privacy Act, 5 U.S.C. 552a. Numerous minor amendments have been made that will clarify and/or more accurately describe the following elements in this system of records: System location, storage, retrievability, safeguards, and system manager(s) and address.

EFFECTIVE DATE: April 6, 1995.

FOR FURTHER INFORMATION CONTACT: Frederick N. Ottie, Attorney, Office of

the Executive Secretary, FDIC, 550-17th Street NW., Washington, DC 20429, (202) 898-6679.

SUPPLEMENTARY INFORMATION: The FDIC's system of records entitled "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" is being amended to clarify and/or more accurately describe its contents. These modifications update language in the system location and the system manager(s) and address elements to reflect organizational changes within the FDIC. Additionally, since records are no longer stored in computerized files maintained on a contract basis with the National Association of Securities Dealers, Inc., that reference is deleted from the system location and retrievability elements. The language of the storage element is reworded to accommodate system maintenance on a mainframe computer system instead of a PC-based system. The retrievability element adds the use of dealer registration numbers and FDIC bank certificate numbers to facilitate retrieval of records in this system. Lastly, the safeguards element is amended to clarify that computerized records are accessed only by authorized personnel with password access.

Accordingly, the FDIC amends the "Municipal Securities Dealers and Government Securities Brokers/Dealers Personnel Records System" to read as follows:
