

## Regulatory Review

FIL-86-95 December 26, 1995

TO: CHIEF EXECUTIVE OFFICER

SUBJECT: Request for Comment on Regulations and Written Policies Needing Improvement

The Riegle Community Development and Regulatory Improvement Act of 1994 requires the federal banking agencies to review all of their regulations and written policies with two general goals: (1) to identify and revise regulations and policies that may be inefficient or unnecessarily burdensome: and (2) to make uniform all regulations and policies that implement common statutory or regulatory requirements. To assist the FDIC in carrying out its reviews, the agency is seeking public comment on regulations and written policies that could be improved.

The attached *Federal Register* notice explains the review process in more detail. For more information, please contact Steven F. Hanft of the FDIC's Office of the Executive Secretary (202-898-3907) or Judith Bailey of the Legal Division (202-898-6955).
