

CCEM makes much of the so-called "uneven playing field" that it allegedly will endure without the masking provision, we find this concern to be unfounded. The Order No. 889 version of §§ 37.6(e)(1)(iii) and 37.6(e)(3)(I) treated all market participants making a request for transmission service (or whose transactions were curtailed or interrupted) equally, by allowing parties to such transactions to mask their identities for thirty days, upon request. The current (Order No. 889-A) version treats all market participants making a request for transmission service (or whose transactions are curtailed or interrupted) equally, by requiring the identity of parties to such transactions to be posted. Although the Commission has revised its policy on masking, all market participants making a request for transmission service, whether affiliated or non-affiliated with the Transmission Provider are treated equally in both instances. Thus, under the revised rule, the playing field is just as level as before.

Moreover, we are not persuaded that eliminating the masking provision will have the dire anticompetitive consequences that CCEM predicts. To the contrary, we continue to believe that fuller disclosure of customer and transaction information is necessary to implement the discounting provisions added by Order Nos. 888-A and 889-A and to ensure that customers (actual or potential) are able to detect any affiliate abuse or undue discrimination.

If actual experience proves different, CCEM or other interested persons may bring these facts to our attention and we will consider taking appropriate remedial action.

#### V. Regulatory Flexibility Act Certification

The Regulatory Flexibility Act (RFA)<sup>24</sup> requires any proposed or final rule issued by the Commission to contain a description and analysis of the impact that the proposed or final rule would have on small entities or to contain a certification that the rule, if promulgated, will not have a significant economic impact on a substantial number of small entities. Order No. 889 contained a certification under section 605(b) of the RFA that the OASIS Final Rule would not impose a significant economic impact on a substantial number of small entities within the meaning of the RFA.<sup>25</sup>

Given that Order No. 889-A made only minor revisions to Order No. 889,

none of which was substantive, that this order makes no revisions to Order No. 889-A, and that we are granting waivers from the requirements of the OASIS Final Rule to small entities where appropriate, we reaffirm our earlier certification in Order Nos. 889 and 889-A that the requirements in 18 CFR Part 37, to establish and participate in an OASIS and to comply with the Standards of Conduct, will not have a significant economic impact on a substantial number of small entities and that no regulatory flexibility analysis is required pursuant to section 603 of the RFA.

#### VI. Environmental Statement

As explained in Order Nos. 888-A and 889-A, Order Nos. 888 and 889 were the joint subjects of the Final Environmental Impact Statement issued in the Open Access NOPR proceeding in Docket Nos. RM95-8-000 and RM94-7-001 on April 12, 1996. Given that this order makes no revisions to Order No. 889-A, no separate environmental assessment or environmental impact statement has been prepared in this proceeding.

#### VII. Information Collection Statement

As explained in Order Nos. 889-A, Order No. 889 contained an information collection statement for which the Commission obtained approval from the Office of Management and Budget (OMB).<sup>26</sup> Given that Order No. 889-A made only minor revisions to Order No. 889, none of which was substantive, and given that this order makes no revisions to Order No. 889-A, OMB approval for this order will not be necessary. However, the Commission will send a copy of this order to OMB, for informational purposes only.

The information reporting requirements under this order are unchanged from those contained in Order No. 889-A. Interested persons may obtain information on the reporting requirements by contacting the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426 [Attention Michael Miller, Information Services Division, (202) 208-1415], and the Office of Management and Budget [Attention: Desk Officer for the Federal Energy Regulatory Commission (202) 395-3087].

#### The Commission Orders

As discussed in the body of this order, the requests for rehearing are hereby denied.

By the Commission.

Secretary.

### Background

The Foreign Assets Control Regulations, 31 CFR part 500 (the "Regulations"), are being amended to establish a mandatory, one-time census with respect to all outstanding claims of U.S. nationals against the Government of North Korea or any North Korean government entity.

Section 500.602 is added to the Regulations to require all U.S. nationals having such claims to report the claims by letter, including the information required by paragraph (f) of that section, by March 9, 1998. The definition of the term "U.S. national" is contained in § 500.602(g). Observance of the filing deadline is extremely important. The reports are needed to obtain information, on a one-time basis, for planning and administrative purposes in contemplation of future claims settlement negotiations.

For naturalized U.S. citizens, only claims arising after becoming a U.S. citizen should be reported. Similarly, an entity must have been organized under the laws of a U.S. jurisdiction at the time of loss to have a reportable claim.

The submission of a report of a claim against the Government of North Korea or a North Korean government entity does not constitute the filing with the United States Government of a formal claim for compensation. No formal claims adjudication program currently exists. However, failure to file a complete report with respect to claims in a timely fashion would constitute not only a failure to comply with the Regulations, but would also prevent the inclusion of the information in U.S. Government planning and may therefore be prejudicial to the interests of the claimant and other U.S. claimants. Espousal of claims of U.S. nationals against a foreign government is within the discretion of the United States Government.

Because the Regulations involve a foreign affairs function, Executive Order 12866 and the provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

### Paperwork Reduction Act

This final rule is being issued without prior notice and public procedure pursuant to the Administrative Procedure Act. Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), the collection of information contained in this final rule has been submitted to and approved by the Office of Management and Budget ("OMB") pending public comment, and has been assigned control number 1505-0160. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

The collection of information in the Regulations is contained in new § 500.602 of the Regulations. This information is needed by the Office of Foreign Assets Control and the U.S. Department of State for planning and administrative purposes in contemplation of future claims settlement negotiations. The likely respondents and recordkeepers are individuals and business organizations.

New § 500.602(e) provides that "[r]eports submitted pursuant to this section are regarded as privileged and confidential." It is the policy of the Office of Foreign Assets Control to protect the confidentiality of information in appropriate cases pursuant to the exemptions from disclosure provided under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a).

Estimated total one-time reporting and/or recordkeeping burden: 100 hours.

The estimated one-time burden per respondent/recordkeeper varies from 1 hour to 3 hours, depending on individual circumstances, with an estimated average of 2 hours.

Estimated number of respondents and/or recordkeepers: 50.

Estimated frequency of responses: 1.

Comments are invited on: (a) whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's

estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimated capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Comments concerning the above information, the accuracy of estimated average burden, and suggestions for reducing this burden should be directed to the Office of Management and Budget, Paperwork Reduction Project, control number 1505-0160, Washington, DC 20503, with a copy to the Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Ave., NW—Annex, Washington, DC 20220. Any such comments should be submitted not later than February 9, 1998. Comments on aspects of the Regulations other than those involving collections of information should not be sent to the OMB.

SUMMARY: This document affirms the Department of Veterans Affairs (VA)

medical regulations concerning when VA will furnish veterans with sensorineural aids (e.g., eyeglasses, contact lenses, hearing aids), which implement a requirement imposed in the Veteran's Health Care Eligibility Reform Act of 1996, Public Law 104-262.

**DATES:** Effective Date: This final rule is effective December 9, 1997.

**FOR FURTHER INFORMATION CONTACT:** Frederick Downs, Jr., Chief Consultant, Prosthetics and Sensory Aids Service Strategic Healthcare Group (113), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420, telephone (202) 273-8515.

**SUPPLEMENTARY INFORMATION:** On June 3, 1997, VA published in the **Federal Register** an interim final rule with request for comments (62 FR 30240). This added a new section (17.149, 38 CFR part 17). A 60-day comment period ended August 4, 1997, and one comment was received.
