The Federal Deposit Insurance Corporation (FDIC) has issued its sixth Letter to Stakeholders, which reports on our priorities and activities for the third quarter of 2003.

As we move closer to year-end 2003, we are making progress in realizing our aggressive goals for this year. We continue to focus on **stability** of the industry and the insurance funds; **sound policy** positions, supported by substantive research and led by comprehensive deposit insurance reform legislation; and **stewardship** of the Corporation to ensure that we do our job in the most efficient and effective manner possible.

Your feedback to the Stakeholders Letter is always welcome, as are suggestions for improvements. For additional information, please visit our Web site at www.fdic.gov.
